DHV Dinh Hong Van

DHV My boss of my line manager came to me and said that, Van, so you got good news. So, I said, what good news? Then he said, you were promoted to Brand Manager. I say, yeah, really? I, I didn't think at the time like, I just joined the company two years and four months. I, I really want, I just try to do my best, contribute my best to the team and to the, to the business, and then I didn't really think that I am going to get promoted to a big, biggest brand, hair brand at the time, the Sunsilk brand.
