

HELEN TOOGOOD CURRENT POSITION

Speaker key

HT Helen Toogood

HT When I started working in New Ways of Working and showing a real interest in how we'd progress this, in giving people the ability to still have global teams, and still work with global teams and within global teams, but not necessarily have to travel, find much better innovative ways of using technology, changing our behaviours and our ways of working so that we can still have that impact and that... inspiration I guess on people without having to be physically in front of them.
