Disclaimer: The objective of this palm oil mill list is to increase transparency of Unilever's palm oil supply chain. We are conducting this work on traceability in partnership with our suppliers. The disclosed palm oil mill data and parent company / group linkages is correct to the best of Unilever's knowledge at the time of publication and represents a snapshot of our supply chain for 2024 based on data collected by that end of year. Although we have made considerable effort to validate the disclosed data, we cannot guarantee its full accuracy and therefore welcome any corrections that may be needed. It is our intention to share accurate and credible data. Should there be any reliable data that is in conflict with ours, then we ask that you share it with us, so that we can assess and make the appropriate corrections. Please note that there may be mills on this list that we have asked our suppliers to remove from our supply chain due to valid grievances or noncompliance with our policies. We are working with our suppliers to ensure that any suspended mills are not part of our supply unless appropriate remediation plans have been agreed and are being implemented. The list of suspended palm oil direct suppliers, suspended oil palm growers, and suspended palm oil mills can be found on the [Unilever website](#).
