

## HOW TO WATCH UNILEVER'S AGM

We will be streaming a live webcast of the AGM which you can access via your smartphone, tablet or computer. Please note that this is a viewing platform only - you will not have the ability to ask questions or submit your votes in real time.

Shareholders are encouraged to submit their votes in advance of the meeting. Please refer to the notes to the Notice of Meeting on how you can ask questions in advance of the meeting.

You can now access the Unilever Annual Report and Accounts 2022 by visiting the website: [AGM & voting | Unilever](#)

### Visit: [meetnow.global/UnileverAGM23](https://meetnow.global/UnileverAGM23)

You will need the latest version of Chrome, Safari, Edge or Firefox to view the meeting online.

Please ensure your browser is compatible in advance of the meeting.

### Meeting Access

To login you must have your Shareholder Reference Number and PIN as set out on the Form of Proxy.

### 3 May 2023 at 11.30am

The webcast will start transmitting at this time.

#### Access

Click '**JOIN MEETING NOW**'

Once the webpage above has loaded into your web browser, select '**Shareholder**' on the login screen and enter your Shareholder Reference Number and PIN.

If you are a third-party proxy, corporate representative or an invited guest, use the link on the email you will receive from Computershare prior to the meeting. Otherwise select '**Invitation**' on the login screen then enter your personalised invitation code from the email.

If you have trouble logging in, please follow the instructions on screen.

#### Navigation

When successfully authenticated, the home screen will be displayed. You can view company information and watch the webcast.

If viewing on a computer, the webcast will appear automatically once the meeting has started.

#### Technical Issues

If you experience any technical issues with the site you may either call our registrar on the telephone number provided on the site or once you have entered the meeting, you can raise your question using the chat function. If you have technical issues prior to the start of the meeting you should contact our registrar on the shareholder helpline.
