

Unilever's Suspended or No-Buy List of Palm Oil Companies

Updated August 2022

The list below provides information of previous palm oil suppliers or oil palm growers for which we have issued a suspension or a no-buy notification for supply to Unilever's supply chain due to noncompliance we have found or grievances brought to our attention alleging non-compliance against the [Unilever People and Nature Policy \("UPNP"\)](#) and/or Unilever's [Responsible Sourcing Policy \("RSP"\)](#) or due to the fact that it could not be confirmed that these companies were in compliance with the UPNP at the group level. The list of palm oil mills associated with these companies can be found in the Suspended or No-Buy Palm Oil Mill List of this document. Please note that this list include mills that are not currently or have never been in the direct or indirect supply chain of Unilever.

For the purposes of this list, a "suspension" or "no-buy" is a Unilever internal categorization of a supplier as being allegedly non-compliant with the UPNP and/or Unilever RSP. Unilever requires our suppliers to not purchase palm oil, palm kernel oil, and their derivatives from such suppliers on the "suspension" and "no-buy" list for supply to Unilever's supply chain. The "suspension" or "no-buy" categorization may be lifted upon confirmation, to Unilever's reasonable satisfaction, that compliance towards the UPNP and RSP can be verified or appropriate remediation plans for non-compliance have been agreed and are implemented. A list of grievances that have been raised to Unilever with regard to our palm oil supply chain can be found on the [Unilever website](#).

Please note that we are not making any accusations of legal wrongdoing but are sharing that we have sight of data that indicates that certain supply sources are not in accordance with the UPNP. It is our intention to share accurate and credible data. Should there be any reliable data that conflicts with ours, then we ask that you share it with us, so we can assess and make the appropriate corrections.

* Mill was declared by Unilever's supplier in 2021. We are working with our suppliers to ensure that these companies and mills (at a group level) are not part of our supply chain unless compliance towards the UPNP and Responsible Sourcing Policy can be verified or appropriate remediation plans for non-compliance have been agreed and are implemented.

Disclaimer: The objective of this palm oil mill list is to increase transparency and communication to our suppliers and stakeholders. The disclosed palm oil mill data and group linkages is correct to the best of Unilever's knowledge at the time of publication. Although we have made considerable effort to validate the disclosed data, we cannot guarantee its full accuracy and therefore welcome any corrections that may be needed.
